## **ABOUT US**

SGMR Pharmaceuticals Pvt Ltd is an innovative pharmaceutical strong research base Loan License manufacturer of API's and Advanced Intermediates for Active pharmaceutical Ingredients (API's) for the pharmaceutical companies in across the Globe.

We have successfully integrated our competence to deliver a wide product Baggage in Advance Intermediates, API's Impurities and Fine chemicals in volumes that range from a milligram to kilograms.

We are having a state-of-the-art Research facility with a strong R&D scientist's team in Hyderabad, India.

## **FACILITIES**

- ★ Process Research Lab
- ★ Scale-up from few grams to Tons
- ★ CGMP multi-purpose manufacturing plant
- ★ Capability to handle a wide range of reactions

## **PRODUCTS**

- ★ API
- ★ API Intermediates
- ★ Fine chemicals

## **OUR VISION & MISSION**

Our vision is to offer the best quality of products and services to our customers. Our mission is to provide the best quality according to the customer's specifications within the best possible price.

## **OUR COMMITMENT**

Our Commitment is to offer the best to our customers. We are very thankful to our customers who have made us what we are today. We now aspire to take our organization to the next level so that we can serve our customers even better to keep them fully satisfied.

## **OUR STRENGTHS**

- ★ Wide Selection of world-class pharmaceutical bulk drugs and Intermediates Provided under one roof
- ★ A transparent and fair business dealings
- ★ Highly professional team with massive technical experts
- ★ International quality
- ★ Focus on innovation by the adoption of the latest tools and technologies
- ★ Environmental safety and social responsibilities

## **LIST OF API PRODUCTS**

| <b>S.NO</b> | <b>Active Pharmaceutical Ingredients (API)s</b>    | <b>CAS NO.</b> | <b>Status</b>     | <b>End Use</b>               |
|-------------|--|----------------|-------------------|------------------------------|
| 1.          | Abiraterone acetate- USP                           | 154229-18-2    | Commercial        | Anti-Neoplastic Agent        |
| 2.          | Atorvastatin Calcium -IP/USP                       | 344423-98-9    | Commercial        | Hyper Lipidemic              |
| 3.          | AzilsartanMedoxomil                                | 863031-21-4    | Under Development | Hypertension                 |
| 4.          | Biperiden Hcl -USP/ EP/IP/JP                       | 514-65-8       | Commercial        | Anti-Cholinergic             |
| 5.          | Canagliflozin Hemi hydrate                         | 928672-86-0    | Commercial        | Anti-Diabetic                |
| 6.          | Cetirizine DIHCL- EP/IP/USP/Ph. Eur                | 83881-51-0     | Commercial        | Anti-Histamine               |
| 7.          | Citicoline sodium                                  | 3381815-4      | Commercial        | Nootropic                    |
| 8.          | Dabigatran Etxilate Mesylate- IH                   | 872728-81-9    | Commercial        | Anti-Coagulant               |
| 9.          | Dapagliflozin                                      | 461432-26-8    | Commercial        | Anti-Diabetic                |
| 10.         | Dapoxetine HCL-IHS                                 | 129938-20-1    | Commercial        | Anti-Depressant              |
| 11.         | Domperidone- IP/BP/Ph. Eur                         | 57808-66-9     | Commercial        | Anti-emetic                  |
| 12.         | Empagliflozin                                      | 864070-44-0    | Commercial        | Anti-Diabetic                |
| 13.         | Epsilon Aminocaproic acid                          | 60-32-2        | Commercial        | Anti-fibrinolytic            |
| 14.         | EsomeprazoleMagnesiumDihydrate-IP/USP              | 217087-10-0    | Commercial        | Anti-Ulcerative              |
| 15.         | Ethopabate BP(Vet)/USP                             | 59-06-3        | Commercial        | Veterinary Drug              |
| 16.         | Ezetimibe  | 163222-33-1    | Commercial        | Anti-Hyper lipidemic         |
| 17.         | Fexofenadine HCL- IP/EP/USP                        | 83799-24-0     | Commercial        | Anti-Histamine               |
| 18.         | Fluconazole  | 86386-73-4     | Commercial        | Anti-Ulcerative              |
| 19.         | Itraconazole- BP/USP/Ph. Eur                       | 84625-61-6     | Commercial        | Anti-Fungal                  |
| 20.         | Lacosamide   | 175481-36-4    | Commercial        | Anti-Convulsant              |
| 21.         | Lansoprazole-IP/BP/USP/Ph. Eur                     | 103577-45-3    | Commercial        | Anti-Ulcerative              |
| 22.         | Levetiracetam                                      | 102767-28-2    | Commercial        | Antiepileptic                |
| 23.         | Levocetirizine-IP/IHS                              | 130018-77-8    | Commercial        | Anti-Histamine               |
| 24.         | Linagliptin  | 668270-12-0    | Commercial        | Anti-Diabetic                |
| 25.         | Losartan Potassium- IP/USP                         | 124750-99-8    | Commercial        | Antagonist                   |
| 26.         | Montelukast Sodium- IP/BP                          | 158966-92-8    | Commercial        | Anti-Histamine               |
| 27.         | Moxifloxacin HCL-USP/BP/EP/IP                      | 192927-63-2    | Commercial        | Anti-Bacterial               |
| 28.         | Nebivolol Hcl- IP                                  | 152520-56-4    | Commercial        | Anti-Hypertensive            |
| 29.         | Olmesartan Medoxomil-USP                           | 144689-63-4    | Commercial        | Anti-Hypertensive            |
| 30.         | Omeprazole-IP/BP/USP/Ph. Eur                       | 73590-58-6     | Commercial        | Anti-Ulcerative              |
| 31.         | Oseltamivir Phosphate                              | 204255-11-8    | Commercial        | Anti-Viral                   |
| 32.         | Pantoprazole Sodium sesqui hydrate- IP/BP/USP      | 164579-32-2    | Commercial        | Anti-Ulcerative              |
| 33.         | 4-Amino (Para Amino)Salicylic Acid (PAS Acid)- USP | 65-49-6        | Commercial        | Anti-Tuberculosis            |
| 34.         | Sodium Amino Salicylate(PAS Sodium)-IP/BP/EP/USP   | 6018-19-5      | Commercial        | Anti-Tuberculosis            |
| 35.         | Pemetrexed disodium                                | 357166-29-1    | Commercial        | Antifolate                   |
| 36.         | Prasugrel Hydrochloride                            | 389574-19-0    | Commercial        | Antithrombotic               |
| 37.         | Pregabalin -IP/IH/USP/EP                           | 148553-50-8    | Commercial        | Anti-Convulsant              |
| 38.         | Posaconazole                                       | 171228-49-2    | Commercial        | Anti-Ulcerative              |
| 39.         | Rabeprazole-IP/USP/IHS                             | 117976-89-3    | Commercial        | Anti-Ulcerative              |
| 40.         | Raltegravir Potassium                              | 871038-72-1    | Commercial        | Anti-Retroviral              |
| 41.         | Rasagiline Mesylate                                | 161735-79-1    | Commercial        | Anti-Parkinsonian            |
| 42.         | Rosuvastatin- IP/EP                                | 287714-41-4    | Commercial        | Anti-lipemic                 |
| 43.         | Sitagliptin  | 486460-32-6    | Commercial        | Anti-Diabetic                |
| 44.         | Solifenacin succinate                              | 242478-38-2    | Commercial        | Urinary Incontinence         |
| 45.         | Tadalafil- EP/USP                                  | 171596-29-5    | Commercial        | Erectile Dysfunction         |
| 46.         | Tamsulosin Hcl-IP/BP/USP/Ph. Eur                   | 106133-20-4    | Commercial        | Benign Prostatic Hypertrophy |
| 47.         | Telmisartan-USP                                    | 144701-48-4    | Commercial        | Anti-Hypertensive            |

| 51.         | Varenicline Tartrate                               | 375815-87-5    | Commercial        | Nicotine addiction           |
| 52.         | Vildagliptin                                       | 274901-16-5    | Commercial        | Anti-Diabetic                |
| 53.         | Voriconazole                                       | 137234-62-9    | Commercial        | Anti-Fungal                  |

### API's INTERMEDIATES

| S.NO | Product Name   | CAS NO       | Status     |
|------|--|--------------|------------|
| 1.   | Alpha-5-Norbornene-2-yl-alphaphentl-1-piperidinepropanol (Biperiden base)  | 514-65-8     | Commercial |
| 2.   | Atazanavir Intermediate (Crude):<br>(AZS-3)3S,8S,9S,12S)-3,12-Bis(1,1-dimethylethyl)-8-hydroxy-4,11-dioxo-9-(phenylmethyl)-6-[[4-(2-pyridinyl)phenyl]methyl]-2,5,6,10,13-pentaazatetra decanedioic acid dimethyl ester (AZS3) (For Atazanavir pure API). | 1292296-09-3 | Commercial |
| 3.   | Azilsartan Base  | 147403-03-0  | Commercial |
| 4.   | Bicalutamide crude   | 90357-06-5   | Commercial |
| 5.   | Cyclo propyl Amine (CPA)   | 765-30-0     | Commercial |
| 6.   | Imatinib Base (IMB-1) 4-[[4-methyl-1-piperazinyl)methyl]-N[4-methyl-3-[[4-(3-pyridinyl)-2-pyrimidinyl]ammo]phenyl]benzamide(For Imatinib Mesylate API)   | 152459-95-5  | Commercial |
| 7.   | Dapoxetine Base  | 119356-77-3  | Commercial |
| 8.   | Darunavir Intermediate 2,5-Dioxopyrrolidin-1-yl(3R,3aS,6aR)-hexahydro[2,3-b]furan-3-ylcarbonate (For Darunavir Production API)   | 253265-97-3  | Commercial |
| 9.   | DCC (1, 3-Di cyclo hexyl carbodiimide)   | 538-75-0     | Commercial |
| 10.  | Dibenzo-18-crown-6   | 14187-32-7   | Commercial |
| 11.  | Imidazole-5-carboxylic ethyl ester   | 144689-93-0  | Commercial |
| 12.  | Linezolid  | 165800-03-3  | Commercial |
| 13.  | MAP (3-Amino Phenol)   | 591-27-5     | Commercial |
| 14.  | N-[4-cyano-3-trifluoromethylphenyl]-3-[4-fluorophenylthio]-2-hydroxy-2methylpropionamide   | 90356-78-8   | Commercial |
| 15.  | N, N- Carbonyl diimidazole (CDI)   | 530-62-1     | Commercial |
| 16.  | Piperazine Hydrochloride   | 142-64-3     | Commercial |
| 17.  | Sodium Azide   | 26628-22-8   | Commercial |
| 18.  | Tamsulosin Base  | 106133-20-4  | Commercial |
| 19.  | Trityl Chloride  | 76-83-5      | Commercial |
| 20.  | 5-(4'-Bromomethyl-1,1'biphenyl-2-yl)-1-triphenylmethyl-1H-tetrazole (TTB)  | 124750-51-2  | Commercial |
| 21.  | Thiosalicylic acid   | 147-93-3     | Commercial |
| 22.  | 2-Thiophene Acetyl chloride  | 39098-97-0   | Commercial |
| 23.  | Xanthine   | 69-89-9      | Commercial |
| 24.  | 4-Pentyne-1-ol   | 5390-04-5    | Commercial |

### ONCOLOGY API's & INTERMEDIATES

| S.NO | Product Name                     | CAS NO      | End Use  | Status     |
|------|----------------------------------|-------------|--|------------|
| 1.   | Anastrozole API & intermediates  | 120511-73-1 | Breast cancer  | Commercial |
| 2.   | Bendamustine API & intermediates | 3543-75-7   | Chronic lymphocytic leukaemia  | Commercial |
| 3.   | Capacitabine API & intermediates | 154361-50-9 | Colorectal cancer, Breast cancer, Gastric cancer, Oesophageal cancer | Commercial |
| 4.   | Chlorambucil API & intermediates | 305-03-3    | Chronic lymphocytic leukaemia  | Commercial |
| 5.   | Imatinib API & intermediates     | 152459-95-5 | Pancreatic cancer  | Commercial |
| 6.   | Letrozole API & intermediates    | 112809-51-5 | Breast cancer  | Commercial |
| 7.   | Melphalan API & intermediates    | 148-82-3    | Chemotherapy drug  | Commercial |

### FINE CHEMICALS

| S.NO | Product Name                  | CAS NO    | Status     |
|------|-------------------------------|-----------|------------|
| 1.   | 2-Amino 3-Nitro phenol        | 603-85-0  | Commercial |
| 2.   | 2-Chloro-3-Nitro Benzoic acid | 3970-35-2 | Commercial |
| 3.   | 2-Ethyl Phenol                | 90-00-6   | Commercial |
| 4.   | 3-Nitro 2-Amino toluene       | 570-24-1  | Commercial |
| 5.   | 3-Nitro 2-Chloro toluene      | 3970-40-9 | Commercial |
